

Kentucky Vulcan Riders Association

Chapter 1-12

Welcome to the Kentucky Vulcan Riders,

The officers and members of Kentucky Vulcan Riders Chapter 1-12 would like to welcome you as our newest member. We are a family oriented riding club, focused on Kawasaki Vulcan's, but encourage and welcome riders who own any make or model motorcycle. Our chapter was formed in September of 2009 and consists of members across the Bluegrass area of Kentucky including Louisville, Frankfort, Nicholasville, Mount Sterling, Georgetown and Lexington.

We have dinner meetings on the first Wednesday of each month at 6:30 pm, please see Meetup and/or Facebook for more information. During riding season, we try to schedule at least 2-3 group rides each month, Impromptu rides are often available on alternate dates. Anyone can suggest a ride!

You should have received the chapter VRA patch with your membership fee upon joining. If you have not received this, please see one of the officers for your patch. We also have our beautiful 10" KVRA back patch available for purchase.

Your KVRA membership card is your proof of membership and can be used for an 11% discount at Gateway Cycles in Mount Sterling.

Our online community consists of our Meetup and Facebook pages where we do most of our chatting, planning as well as organizing future rides and events. Our web presence is active online and we hope you will drop in and check us out. The locations of each are listed below. We hope that you will become an active member of KVRA and look forward to seeing you on future rides. The National VRA has a very active discussion forum and informational website as well. Please don't hesitate to join the forum at National, you are always welcome.
